1.0 Purpose and Scope

- 1.1 Establishes the company policy relating to the Environment; striving to minimize how operations (processes etc.) negatively affect the environment (i.e. cause adverse changes to air, water, or land); to comply with applicable laws, regulations, and other environmentally oriented requirements; and continually improve the ISO 14001:2004 Environmental Management System.
- 1.2 Applies to all aspects of DDH Enterprise Inc. operations – equipment, facilities, operations, and administration.

Environmental Policy

2.0 Associated Documents

- 2.1 ISO 14001:2004 Environmental Management Systems – guidance with requirements for use.

3.0 Environmental Policy

- 3.1 DDH Enterprise Inc. commits to providing products and services that meet or exceed its customers' expectations, operating in an environmentally responsible manner. DDH Enterprise's Management Team is committed to establish, document, implement, and maintain an effective environmental management system designed to accomplish our strategic business objectives while fulfilling our responsibility as a good industrial neighbor in the community.
- 3.2 We shall:
 - 3.2.1 Conduct business so that environmental challenges are managed as an integral part of current and changing business strategies.
 - 3.2.2 Review each aspect of our activities to develop a complete understanding of their environmental impact and, based on this analysis, determine and implement control methods addressing significant impacts, ensuring that the potential for negative environmental impact is minimized.
 - 3.2.3 Communicate environmental issues throughout DDH Enterprise Inc.
 - 3.2.4 Comply with all Federal, State and local environmental laws, while also meeting our own environmental commitments.
 - 3.2.5 Promote pollution prevention.
 - 3.2.6 Continually improve the environmental management system.
